

ABBREVIATED CURRICULUM VITAE

DR GERSHANK DAVIS MD, FRCP, FRACP, FACC, FESC

- 1.1 I am a Consultant Cardiologist and Specialist in cardiology and cardiovascular medicine at University Hospital Aintree (UHA), Liverpool and the Walton Hospital (which together constitute Aintree Hospitals NHS Foundation Trust).
- 1.2 I currently hold the following positions of responsibility:-

Lead Consultant Cardiac Catheterisation Laboratory UHA
Hon Lecturer University of Liverpool
Hon Senior Lecturer, University of Central Lancashire

Summary of Qualifications:

Fellowship of the European Society of Cardiology	FESC	2004
Fellowship of the College of Physicians of the United Kingdom	FRCP	2004
Fellowship American College of Cardiology	FACC	2003
Fellowship of the Royal Australasian College of Physicians	FRACP	2001
Doctorate of Medicine	MD	1999
Royal College of Physicians Diploma in Geriatric Medicine	DGM	1994
University of London Diploma in Cardiology	DIP CARD	1992
Membership of the Royal College of Physicians of the United Kingdom	MRCP	1990
Bachelor of Medicine and Surgery	MB BS	1986

I am a Member of the British Cardiac Society (BCS), British Cardiovascular Intervention Society (BCIS), British Society of Echocardiography, British Hypertension and Heart Failure Societies.

I have extensive current experience in the following clinical/cardiological areas:-

- Investigation and management of acute and chronic ischaemic heart disease. Hypertension.
- Management of patients with cardiac arrhythmias including atrial fibrillation as in patients and out patients
- Non-invasive cardiological testing including echocardiography, exercise testing and nuclear cardiology
- Cardiac catheterisation/coronary angiography

I have been assessing claimants medico legally and providing medico legal reports for approximately five years.

I am registered with the e reporting group, Medical Report Services Ltd

Have obtained a Certificate of training- 5 CPD hours:

Medico-Legal Expert Witness Course, Leeds 24th January 2008
Course Ref HK/ML76, Organisers: Judith Kelbie-Solicitor / Jonathan Dingle-Barrister

Details of my clinical practice are on www.davisheart.co.uk.

Abstracts

Metabolic Syndrome: A risk factor for myocardial infarction in young Britons:
F. Kaivani, S. Jain, E. Rodrigues, G. Davis
 3rd Metabolic Syndrome, type II Diabetes and Atherosclerosis Congress, Marrakech, Morocco, 2006

In-Stent Restenosis presenting as Myocardial Infarction
Society for Cardiac Angiography and Interventions, 26th Scientific Sessions, 2003
 Atasu K Nayak, Gershan K Davis, Manish S. Chauhan, David E. Gossman, Thomas C. Piemonte, Richard W. Nesto.

Holter Monitoring in Octogenarians

Age and Ageing, January 1997

Gershan Davis, Naseer Naqvi, David Roberts

Audit of Physician Training in temporary cardiac pacing from the North West Region

Heart Journal- May 1996 Vol 75

G. K. Davis, D. H. Roberts

The Angiotensin II type 1 Receptor gene polymorphism and Angiotensin II blockade in essential hypertension

Hypertension 1998 Vol 32:808

G.K. Davis, C A Davies, A M Heagerty, D H Roberts

Genetic Risk Factors (ACE gene I/D and paraoxonase polymorphisms) in Ischaemic cardiomyopathy

Heart 1997;77:suppl 1 p-49

GK Davis, B Mackness, DH Roberts, PN Durrington, , MI Mackness, AM Heagerty

Does the ACE gene polymorphism affect patient response to Angiotensin II antagonism in essential hypertension

Circulation 1997 Vol 96:8:suppl I-719

G K Davis, C A Davies, D H Roberts, A M Heagerty

Human Paraoxonase/arylesterase (Humpona) gene polymorphisms in ischaemic cardiomyopathy

Clinical Science 1997;92(2) Supp36:9

GK Davis, B Mackness, DH Roberts, PN Durrington, AM Heagerty, MI Mackness

Expression of angiotensin, renin and angiotensin converting enzyme genes in human atrial tissue

British Heart Journal- suppl 1 May 1993

K. Morgan, J. Wharton, J. Webb, G. Davis, C. Oakley, J. Cleland

Presentations

- Poster Presentation at 3rd Metabolic Syndrome, type II Diabetes and Atherosclerosis Congress, Marrakech, Morocco, 2006
- Poster Presentation at European Council for Blood Pressure Research, Netherlands, 1998
- Oral Presentation at Esteve Symposium on Drug Response, Barcelona, 1998
- Oral Presentation at American Heart Association Meeting, Orlando, 1997
- Oral Presentation at International Congress on Coronary artery disease, Prague, 1997
- Moderated Poster Presenter, British Cardiac Society, Manchester, May 1997
- Moderated Poster Presenter, British Cardiac Society, Glasgow, May 1996
- Poster Presentation , Medical Research Society, London, November 1996
- Poster presenter British Geriatric Society, London, October 1996
